Ref. Mr Mark Smith

To. Whom it may concern

Dear Sir.

We have known Mark twelve years, he was recommended to us by a well known local builder when we were planning a two storey extension. Mark's workrate and brickwork was excellent and his experience resulted into a first class finish. When we moved to our new address in 2000 we had no hesitation in asking Mark to do another extension which he also completed to a high standard. I have always found him to be trustworthy and honest.

Yours faithfully

N.B. Mayoh
